Preferred Brand of Professional Sports

I am confident in saying that the LiteCure laser helped us get our players back on the court faster.

Ed Lacerte, MEd., PT, SCS, L/ATC, CSC S
Head Athletic Trainer for the **Boston Celtics®**

...I believe it has accelerated the recovery time of several injuries that would have normally kept our players off the ice.

Tim Macre, ATC, CSC S
Head Athletic Trainer for the **Buffalo Sabres®**

It clearly is the best physical modality that I have used in the injury management of athletes.

Ed Ryan, ATC
Head Trainer 2008
USA Basketball

Our pitching staff use the laser as part of their normal warm up and rehab treatments.

George Poulis, MA, ATC, LAT
